

Rubber  
CycleLane

CycleLane is a smart, safe solution that provides a visual separation between vehicle and bicycle lanes. It is designed to define traffic spaces and protect the safety of bicyclists. Ideal for use anywhere with bicycle traffic, the lane delineators keep vehicle and bike traffic in their respective lanes. The innovative sloped profile prevents vehicles from entering the bike lane, while bicyclists who hit the delineators are safely guided back into the bike lane.

## Features

**Precise traffic guidance:** CycleLane offer effective separation to delineate between car, bus, and bicycle lanes.

**Unique sloped profile:** The two-sided profile on the CycleLane units is designed to keep bicyclists safe while preventing vehicles from entering the bike lane.

**Environmentally friendly:** Made of 100% recycled rubber, Traffic Logix CycleLane is eco-conscious way to protect your streets. Grants are often available to municipalities who are buying recycled products.

**Cost effective:** Rubber units are long-lasting, maintenance free, and built to resist temperature fluctuations, inclement weather conditions, and ongoing vehicle traffic.

**Highly visible:** With white highway tape embedded into each unit, the CycleLane bike lane units are highly visible, even at night or in poor lighting conditions.

**Driver acceptance:** Prefabricated units offer consistency at all locations, an important factor for motorist acceptance and ease of use.

**Simple installation:** The CycleLane units are quick and easy to install by simply securing the units to the road with anchors and bolts. No road closures or skilled laborers are necessary.

**Removable:** The CycleLane bike lane units can be removed for road resurfacing, snow plows, or to test the products at numerous locations

**Long lasting:** The Traffic Logix bike delineators are maintenance free and built to resist temperature fluctuations, inclement weather conditions, and ongoing vehicle traffic.

**Two year warranty:** Two year warranty on parts and labor excluding damage related to vandalism, abuse, and/or theft.
